

FISCAL NOTE

SB 2880 - HB 2852

January 28, 2008

SUMMARY OF BILL: Prohibits the sale or production of toys and child care products that contain toxic substances. Violations are punishable through civil penalties, private rights of action and as a Class B misdemeanor.

ESTIMATED FISCAL IMPACT:

Increase State Revenue – Not Significant
Increase State Expenditures – Not Significant

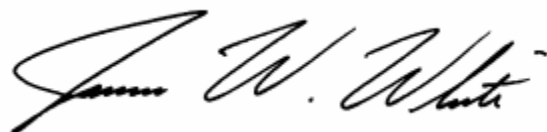

Increase Local Gov't. Revenue – Not Significant
Increase Local Gov't. Expenditures – Not Significant

Assumptions:

- A not significant increase in revenue from collection of additional civil penalties.
- Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
- There will not be a sufficient number of prosecutions for local governments to experience any significant increase in revenue or expenditures.
- A small increase in cases in the court system, which will result in additional state and local government expenditures for processing the cases and additional state and local government revenue from fees, taxes and costs collected. These expenditures and revenue are estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
